I received your fax number from Devin (the Trustee). Our office has been trying for the past year or so to have address changes for CBSJ filed with the United States Bankruptcy Court on cases that checks are being returned for a insufficient address. For some reason these address changes are not being filed with the court so the Trustee is just processing them as "Possible Unclaimed Dividend" to the United States Bankruptcy Court at the close of the case. I have attached a copy of all checks that are office has received back from the Post office and that we are holding to send to the Clerk of the Court. If you could make sure that all of these cases have address changes with the court that would be great. I have enclosed a "Notice of Change of Address" form that you can make copies of for each of the cases. I will continue to send you copies of checks that have been or are returned so that address changes can be filed.

If you should have any questions, please feel free to contact me.

Thanks~Teresa
